[QuickBooks: Basic Program Being Offered on November 14 at GSU](#) [1]

On 04 Nov, 2014

Click [here](#) [2] to view the flyer for the QuickBooks: Basic program being offered on November 14th. Training includes seven hours of hands-on instruction in a computer lab where you learn how to click-through QuickBooks and use all of its major functions including setting up chart of accounts and item lists, invoicing, estimates, deposits, paying bills, running reports and much more. Lunch will be provided and attendees will receive a USB drive that they can save their work to and take with them.

Click [here](#) [3] to register. Use discount code **tlwd49** to drop the price from \$169 to \$120. This is a rare program that will not be offered in our area again anytime soon.
