TEMP WORKERS, STAFFING AGENCIES, HOST COMPANIES
Georgia Tech Research Institute
OSHA Consultation and Training Program
Cordially invites you to attend a **FREE, one-day**

TEMP WORKERS HAZARDS TRAINING

GTRI's OSHA Consultation and Training Program is providing **FREE** training on occupational safety and health hazards encountered by temporary workers. This 3-hour course will highlight the division of safety and health responsibilities of temp workers, staffing agencies, and host employers. A certificate of completion is provided at the completion of training.

Go to www.tempworker.eventbrite.com to register
