[Natural Gas Questionnaire](#) [1]

On 06 Oct, 2015

The region of Emanuel, Montgomery, Treutlen, Toombs and Wheeler Counties is working with local companies and economic development officials to evaluate infrastructure needs throughout the region, especially the availability of Natural Gas. If your company uses natural gas in daily operations, please complete the attached form and return it to Ryan Waldrep at the address provided. Your response will be used to assist the region in preparing for future growth and development!

Please note that all information provided will be kept in the strictest of confidence. Please return your form by October 16, 2015. Please contact Ryan Waldrep at the number provided if you have questions, comments or concerns.
