[Southeastern Technical College - Career Fair 2017](#) [1]

On 01 Mar, 2017

All employers are encouraged to participate in the Southeastern Technical College Career Fairs 2017. Take this opportunity to visit with motivated students and other job seekers eager to discuss your employment needs and career possibilities. STC students, alumni and public will be invited from the surrounding counties. Career fairs will be promoted on radio and print media.

A Career Fair will be hosted on the Swainsboro Campus on April 18th from 9:00 a.m. until 12 noon. Another will be hosted on the Vidalia Campus on April 20th from 9:00 a.m. until 12 noon. Please be sure to indicate the needs for a power outlet, if needed. In order to allow adequate space for all participants, each employer will be assigned only one table for display information. Booths may be set up as early as 8:00 a.m. Coffee and light refreshments will be provided for employers. Interview rooms are also available upon request.

Southeastern Technical College plays a vital role in the training and workforce of this area. Students are not only evaluated on their technical skills, but also on work ethics. STC JobLink allows employers to post job opportunities that are viewable to students and graduates.

Please click on the registration link below to register:
