[New Plant Manager for Trane, Vidalia](#) [1]

On 28 Feb, 2019

Pictured R-L: Greg Johnson, Vidalia City Council; Allen Crump, Trane; Kalley Dees, Vidalia City Council; Harry Moses, Toombs County Development Authority; Mayor Ronnie Dixon, City of Vidalia; Greg Hudgins, Georgia Power; Pat Dixon, Toombs-Montgomery Chamber of Commerce; David Yarbrough, Southeastern Technical College; Michele Johnson, Toombs-Montgomery Chamber of Commerce and Toombs County Development Authority; Scott MacGregor, Trane; Brenda Macoy, Georgia Department of Labor; Robert Bolden, Trane; Terry Thompson, Toombs-Montgomery Chamber of Commerce; Nick Overstreet, City of Vidalia; Tres Herin, Toombs-Montgomery Chamber of Commerce; John Robison, Toombs County Development Authority; Jason Hall, City of Lyons; and Donnie Alderman, Toombs County Development Authority.

Community leadership in Toombs County welcomed Mr. Robert Bolden as the new Plant Manager of Ingersoll Rand's local Trane facility at an existing industry luncheon hosted by the Toombs County Development Authority on Thursday, February 28th. Located in Vidalia since 1990, Trane produces residential air handlers and is a major employer with strong ties to the community.

Please join us in extending a heartfelt welcome to Mr. Bolden!
