City of Lyons Ranked 18th Safest City in Georgia [1]

On 28 May, 2020

The City of Lyons has been ranked #18 of the Top 50 Safest Cities in Georgia by Safe Wise. The organization utilizes statistical information gathered by the FBI, and ranks cities in each state across the country. In Georgia 127 cities were considered for placement.

Not only did Lyons place #18, the statistics moved the city up 92 places from the last report, more than any other city in the state.
