## [GCA Wants to Hear from YOU!!!](#) [1]

On 29 Mar, 2022

Five years ago, GCA embarked upon the creation of a strategic plan for 2017-2022. Since that time, the world has radically changed. In order to make sure that GCA is changing to address the issues that our artists, arts organizations, cities, schools, libraries, etc. are facing now, **we are asking for your input as we start to plan GCA's post-COVID work.**

Because so many different people benefit from the arts in the state, we want to hear from a variety of folks from all parts of the state, including:

- Artists
- Arts administrators
- Arts organization board members
- Donors
- Librarians
- Teachers and school administrators
- Local government officials
- Tourism professionals
- Arts patrons
- Professors
- Students
- Arts attendees

You may contribute your thoughts and ideas in live town hall meetings, virtual town hall meetings, and/or through our online survey.
