## [Artificial Intelligence \(AI\) Community Survey](#) **[1]**

On 29 Jun, 2023

The graphic features a dark blue background with a network of white dots and lines. On the right, a large cyan shape resembling a stylized '!' or a funnel contains a circular inset image of a man in a black shirt working with a large orange robotic arm in a factory setting. The text is arranged in a clean, modern layout with a mix of white and cyan colors.

# ARTIFICIAL INTELLIGENCE COMMUNITY SURVEY

How will AI impact you?  
Tell us what you think!

Georgia Tech is conducting regional strategies that will help communities across the state prepare for future jobs in manufacturing and other sectors that use artificial intelligence (AI) technology.

**TAKE THE SURVEY NOW!**

Survey is OPEN through July 2023!

**GEORGIA AIM**
